

ARTistic Algorithms: AI, Ethics and Law

Date: Saturday, 28 October 2023

Time: 2 to 4 pm

Location: Halle 550, Birchstrasse 150, 8050 Zürich

The symposium offers a dynamic view into the early history of Artificial Intelligent (AI) and why it became the hot 'buzz word' in the recent years. The rising adaptation of blockchain technology, digital asset and augmented reality are interconnected to the application of AI, which will transform not only industries but our perspective of possibilities.

Please join us to explore the collaboration between creative minds with creative technologies!
